

Dependoweb®

When you need versatility, flexibility and reliability along with economy, Dependoweb gets the job done beautifully. This No. 4 coated groundwood paper is the best choice for on-press performance and quality image reproduction. You can count on smooth, problem-free runs no matter how demanding your print job may be. Offered in both web offset and gravure for greater printing flexibility.

ATTRIBUTES

- Proven press reliability and performance
- Smooth surface provides consistent reproduction of images and detail
- Available in lower basis weights for web offset and rotogravure printing processes
- Post-consumer recycled options available
