

Glide Release Liner

Glide Graphics has been developed for applications used in transportation, fleet and vehicle graphics, road signs and large format vinyl displays. Glide Graphics offers several caliper options and features excellent lay flat, scoring and cracking capabilities for efficient and exact applications regardless of the surface or job site conditions. In addition, the controlled smoothness helps protect sensitive material from roll set marking.

ATTRIBUTES

- Excellent silicone cure and coverage
- Consistent caliper for exact plotter performance
- Also available in blue shade
- Controlled reverse side smoothness
- Designed for multiple silicone application

KEY PRODUCT CHARACTERISTICS

	GLIDE				
	3.4 MIL	4.2 MIL	4.6 MIL	4.6 MIL BLUE	6.0 MIL
