

# Penobscot

## Unbleached Softwood Kraft

Penobscot Softwood is an unbleached kraft pulp manufactured in Old Town, Maine from a blend of northern softwood species. Penobscot Softwood may be used in a range of applications including paper manufacturing, packaging and construction materials. Penobscot Softwood is produced with fiber sourced from well-managed forests, and is available with FSC®, SFI®, or PEFC™ Chain of Custody Certification.
